THE WILDLANDS CONSERVANCY

**Wind Wolves Preserve is open from 8am-6pm everyday, except for some holidays, until November 4th, 2017. Starting November 5th, the preserve will be open from 8am-5pm everyday.**

### **EcoKidz**

Parents come out and enjoy a free outdoor activity with your kids. Activities vary from bird watching and bird nest building, painting or using oil pastels to create masterpieces in nature, and reading children-friendly books outdoors. All ages welcome, although class is catered for ages 4-12.

### **Earth Art**

Celebrate the earth by creating earth art from natural materials found during a short guided hike with a naturalist. Then, assemble your own unique artwork. Additional art supplies may be provided. All ages welcome, although class is catered for ages 4-12.

### **Full Moon Night Hike**

This two-hour moonlit hike will start just before sunset and end after dark. Let the moonlight reveal your path, and discover the treasures that Wind Wolves has to offer only at night! Naturalists will discuss nighttime wonders including nocturnal animals, eye shine, and constellations. Ages 6 and up (no strollers). Please note that the starting times for this hike vary according to sunset time. Please bring flashlights!

### **Black Out Night Hike**

Contrary to the Full Moon hike, this two-hour hike during the new moon offers a very dark environment, and is ideal for star gazing. Naturalists will discuss nighttime wonders such as nocturnal animals and sensory awareness activities. Black-lights may be provided to discover glow in the dark critters, and to see how we stand out compared to our dark environment. Ages 6 and up (no strollers). Please note that the starting times for this hike vary according to sunset time. Bring flashlights!

### **El Camino Viejo Wilderness Hike**

Naturalists will lead a 6-7 mile hike through wilderness that once was the route of the wagons traveling between El Pueblo de Los Angeles and early San Francisco. The hike will begin at the El Camino Viejo Wilderness trailhead within San Emigdio Canyon, heading south into the lush wilderness with chances to see bears, mule deer, bird life, unique geological features, and more. This hike is appropriate for hikers ages 8+, with a easy/moderate difficulty. Bring your own water and lunch.

### **San Emigdio Express**

This is a weekend shuttle service to catch a ride along the historic El Camino Viejo (The Old Road) to trailheads within San Emigdio Canyon. Express runs start at 8:30am, 12:30pm, and 3:30pm. Catch a ride with us for more hiking opportunities! The 3:30pm shuttle run is mainly a pick up service for hikers up canyon. *Please note: this is not a tour, and this shuttle service is first come, first serve.* Pick up an express map at any of our kiosks to see all of the drop off and pick up locations!

### **Backcountry Safari**

This Backcountry Tour will allow you to visit our "Authorized Access Only" areas. Some of our Safari themes are: Birds of Wind Wolves Preserve, Animal Sightings, Natural History, Native American History, Wildflowers (seasonal) and much more! The tour vehicle has an air conditioning and heater system, for the comfort of our riders. Please call for more details.

### **Volunteer Days**

We need your help! Our volunteer events are fun and rewarding, allowing you to meet new people, learn and share knowledge, and make a positive difference for the plants and animals that live on the preserve. Working alongside rangers, you have the opportunity to save endangered species, remove invasive plants, work in our native nursery, monitor species populations, and more. All ages welcome!

### **Guided Nature Hike**

Join a Naturalist for a casual guided hike from the Main Canyon Parking Lot to Ravens Landing and back! The total distance is about 3 miles, with some uphill sections. This hike is perfect for families looking to get some exercise together, and learn about wildlife and plants along the way! Recommended for ages 6 and up. No strollers.

### **Movies in the Canyon**

Wind Wolves Preserve is working on the venue enhancement of the San Emigdio Sunset Theater, located near the administration center. When complete, we will make an announcement for the grand opening on Facebook, Instagram, and our website. All movies shown are family friendly.

**Please note that programs and hikes may be canceled in unsafe weather conditions or if no reservations are made. Wind Wolves staff will always inform participants of a cancellation.**
